All-natural,
antibiotic-free
support!

for poultry

VITAMINS & Electrolytes

Nutritional source of essential
vitamins & electrolytes

A water soluble premix of essential vitamins and electrolytes formulated to be a nutrient supplement for use in all classes of poultry, swine, ruminants and horses.

BENEFITS

Aids in hydration & nutrition for a fast start.

Ideal for young chicks.

It's easy! One scoop per gallon of drinking water.

May be used simultaneously with other Durvet poultry soluble products.

PROBIOTICS DAILY

Contains a source of live (viable), naturally occurring microorganisms

A daily source of avian specific probiotics to maintain a natural, healthy gut microflora; plus essential vitamins and electrolytes.

BENEFITS

Supports avian digestive health and nutrient absorption.

Can be used in ALL poultry.

It's easy! One scoop per gallon of drinking water.

May be used simultaneously with other Durvet poultry soluble products.

LAYER BOOST with Omega-3

Contains a source of Marigold & Vitamin D₃

Contains a blend of vitamins, electrolytes, enzymes, Omega-3, and marigold for daily use with layer chickens. Contains a source of live (viable) direct fed microorganisms.

BENEFITS

Improves the quality & quantity of eggs.

Ideal for laying hens.

It's easy! One scoop per gallon of drinking water.

May be used simultaneously with other Durvet poultry soluble products.

DURASTAT with Oregano

A source of oregano, cinnamon and essential oils

DuraStat is a source of energy and essential oils to stimulate water consumption and appetite during disease conditions, shipping, weather change or stress.

BENEFITS

All-natural alternative to stimulate water intake & enhance immunity.

When antibiotics are not desired.

It's easy! One scoop per gallon of drinking water.

May be used simultaneously with other Durvet poultry soluble products.
