Saccharomyces cerevisiae, Aluminosilicate, Soybean Meal, Soybean Oil, Yeast Culture, Dried Lactobacillus acidophilus Fermentation Product, Dried Enterococcus faecium Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Lactobacillus plantarum Fermentation Product, Dried Aspergillus niger Fermentation Extract, Dried Aspergillus oryzae Fermentation Extract, Dried Bacillus subtilis Fermentation Extract, Yeast Fermentation Solubles, Molasses, Natural & Artificial Flavor.

NET WT: 5LB (2.27KG)

FEEDING DIRECTIONS

Adjust the feeding suggestions to the animal's individual needs. The amount to be fed will depend upon variations in size, age, degree of activity, breed, husbandry practices, environment and the desired condition of the animal.

This feed supplement is not a substitute for a balanced safe daily ration, professional veterinary care, proper environmental conditions, fresh clean water, owner compliance and appropriate animal monitoring.

Pro-Balance is safe and effective to feed to horses, pigs, sheep, goats, llamas, alpaca, chickens, ducks, geese, and cattle.

Feeding Suggestions:

(note these are example feeding rates)
Horses: ½ to 1 ounce per day. Pigs: ¼ to ½ ounce per day. Cattle: ½ to 2 ounces per day. Sheep: ¼ to ½ ounce per day. Goats: ¼ to ½ ounce per day. Llamas and Alpaca: ½ to ¾ ounces per day. Chickens: 1 ounce per 10 lbs feed. Turkeys: 1 ounce per 10lbs of feed. Geese: 1 ounce per 10 lbs of feed.
