## FOR CALVES

### ORAL DRENCH

Duralgnite for Calves is an oral drench that supports calf vigor and appetite.

### POWERED BY RALCO® TECHNOLOGIES

#### PATENTED

#### Microfused® Essential Oils

Reduce pathogen load and oxidative stress and promote health of stressed ruminants while stimulating appetite.

#### Actifibe® Prebiotic

Feeds beneficial gut bacteria and promotes immune function.

#### Complex Energy

Highly available energy provides a boost right after birth.

#### Bioactives

Promote immune function and stimulates appetite.

#### Electrolyte Blend

Rapidly rehydrates and restores fluid balance.

#### Natural Vitamin E

Promotes immune function.

#### PACKAGING:

Duralgnite Calves  
60 mL bottle, 12 bottles per case  
UPC # 7-45801-25026-0

### IGNITE ENERGY

Duralgnite for Calves is an oral drench that stimulates appetite, enhances gut health, boosts immunity and provides newborns with the energy they require.

#### HELPS OVERCOME STRESS RELATED TO:

- Newborn stress
- Suppressed appetite
- Poor immunity
- Pathogen challenges

# THE RALCO® TECHNOLOGY DIFFERENCE

**Patented Microfused® Essential Oils** have smaller, more uniform droplets that stay stable over time and with temperature changes. Protected droplets get where they are needed to facilitate and maintain intimate contact.

**Competitor Oil:**  
Larger oil droplets in competitive oil products coalesce and become unstable

**Microfused® Essential Oils:**  
20 times greater surface area; 100 drops per 1 drop of competitor

Beneficial bacteria multiply when they feed on **Actifibe®**, crowding out pathogens for improved health and performance.

*Research conducted by Purdue University*
