

Patchy Poultry

Indications:

Patchy Poultry contains a unique blend of ingredients in a topical powder formulation. Using Patchy Poultry on the affected areas results in an odor-reducing, drying effect when applied to damaged skin and feathers. It's also suitable for an as-needed application to nests or enclosures.

For Use On:

Poultry

Benefits:

- Easy-to-use
- Gentle, non-stinging formula that promotes comfort and flock health
- Rich in topical antioxidants that support healthy skin and feather function
- Moisture inhibiting powder reduces odor and discourages bacterial growth and pecking injuries

Directions for Use:

Apply topically on affected skin and feather areas. May be applied daily in difficult situations.

Not intended to replace a dust bath.

Ingredients:

Proprietary essences of Oregano Oil, Garlic, Grapefruit Seed Extract, Uva Ursi Extract, Olive Leaf Extract, Undecanoic Acid, Caprylic Acid, Neem, and Inert Powder (Diatomaceous Earth)

Packaging:

2.75 oz bottle, 12 bottles/case
